## Who Are We?

## Our Mission

Birthright supports....

**“The right of every pregnant woman to give birth, the right of every child to be born.”**

Birthright provides **free** and **confidential** assistance to any woman facing an untimely pregnancy, offering a positive alternative to abortion.

*“For it is God who works in you to will and to act according to His good purpose.”*  
*Philippians 2:13*

---

## What is Working Together for Life?

**Working Together for Life** is a program designed to join Birthright's efforts with those of pro-life congregations of all faiths. Together we can help women with untimely pregnancies choose life for their babies and give them hope for a better future. There are many opportunities for the members of your congregation to become involved in the care of mothers-to-be who are struggling emotionally or financially.

---

*“Where there is no guidance the people fall, but in abundance of counselors there is victory.”*  
*Proverbs 11:14*

---

Since 1997, over  
**11,000 Babies**  
have received the  
**Gift of LIFE**  
through  
Birthright assistance

Each year **Birthright** provides:  
Over 5,000 client visits  
Over 3,000 pregnancy tests  
Over 100 home visits

## Our Clients

A woman distressed by an untimely pregnancy, feeling pressured by her seemingly insurmountable problems and unaware of the resources available to her, may make a hasty decision for an abortion she does not really want. It may seem a “simple” solution, but is one that places her physical and mental well being in jeopardy.

From the first phone call, Birthright's staff of trained, sensitive volunteers and professionals provide sympathetic and non-judgmental listener support and encouragement.

The anxious woman is offered a free and confidential pregnancy test and information on available options and appropriate community resources.

Throughout her pregnancy and beyond, Birthright provides such services as professional counseling, client home visits, maternity and baby clothing, car seat and crib vouchers, donated medical care and financial assistance.

---

*“Inasmuch as you have done unto the least of my brethren, you have also done unto me.”*  
*Matthew 25:40*

---

“Who could be more ‘least’ than an innocent, unborn child?”
